MARITIME TRANSPORT & SHIPPING INDIA EXPO 2022

Maritime Transport & Shipping India Expo 2022 shall be India's first of its kind **Global Maritime Logistics, Shipping, Freight, Cargo, Material Handling, Supply Chain**, with added segments **Passenger Ferries & Transport** business networking exhibition and conference, scheduled to take place from **May 11 to 13, 2022** at Hall no. 4, **Bombay Exhibition Centre**, Goregaon East, Mumbai, India.

Shipping is the backbone of the global economy, accounting for over 90% of cross-border trade. Without shipping, the bulk transport of raw materials, machineries, foodstuffs and the import / export of many other goods would simply be not possible.

The inaugural edition of **Maritime Transport & Shipping India Expo 2022** shall provide Global Maritime Logistics, Cargo, Freight, Material Handling, Supply Chain, Coastal Shipping Industry and Inland Waterways an integrated platform for both live business networking opportunities as well as future technological knowledge summits.

Hundreds of local and international shipping companies, shipping liners, freight forwarders, material handlers, service providers, suppliers, technology and

system integrators shall come together to do business and form lucrative new partnerships with thousands of Indian and International visitors ranging from public, private and government sector organisations within the region.

Ports are critical, but the onward connection by Road and Railway are equally crucial to expedite the international trade and hence **Maritime Transport & Shipping India Expo 2022** will also cater to the significance of Roadways and Railways alongside Maritime Transport/Waterways.

Key Segments :

- Coastal Shipping
- Inland Waterways Shipping
- Government and Private Commercial Ports / Harbours
- Shipping, Logistics, Freight Forwarding & Material Handling Business
- Inland Passenger Water Transport
- **Other Modes of Transport (Roadways & Railways)**
